

Red Cross recognizes volunteers

Two Team Rhein-Main members were recently awarded the Red Cross Volunteer of the Month Award for their efforts in the community.

Tech. Sgt. Christopher Hernandez, 469th Air Base Group Legal Office, was named the August volunteer of the month for his participation with Vacation Bible School, Scouting programs, and youth

sports.

Robin Warren was selected as the September volunteer of the month. She donates her time and is active with the Girl Scouts and helping out in school classrooms. She was also elected as the Halvorsen-Tunner School PTSA treasurer.

The Red Cross program is designed to recognize individuals whose efforts during

a specific month benefit the community.

Nomination forms and instructions for the award are available from the Red Cross in the Air Mobility Command passenger terminal or at the family support center in Bldg. 347. October nominations are due no later than Nov. 9. Volunteers are judged on service to the community and volunteer leadership ability.
